"Dale Smith Thomas was a huge hit at the 2019 Katherine Shaw Bethea Hospital annual employee meetings. KSB employees were inspired and engaged throughout her entire keynote. Dale's message provided practical advice as well as important life lessons that our attendees could apply immediately to their lives and it was delivered with warmth and humor. It is easy to see that Dale genuinely cares for people because after her keynote, she quickly went to the back of the room to give hugs, shake hands, autograph books and connect with every individual that wanted to speak with her.

Our employees left feeling uplifted and energized. And we had so many positive comments. "This is the best speaker we have ever had for an employee meeting." "Dale Smith Thomas was amazing! Such a powerful message!!"
